Skills

Programming and Tools Skills

- | | | | |
|----------------|--------------|-------------|-------------|
| ✓ HTML | ✓ Node JS | ✓ MYSQL | ✓ Sentry |
| ✓ JavaScript | ✓ React JS | ✓ SEO | ✓ Netlify |
| ✓ CSS | ✓ Express JS | ✓ WordPress | ✓ Postman |
| ✓ Tailwind CSS | ✓ Mongo DB | ✓ VSCode | ✓ Shadcn UI |

Soft Skills

- | | | | |
|-----------------|-------------|--------------|----------------|
| ✓ Communication | ✓ Team Work | ✓ Creativity | ✓ Adaptability |
|-----------------|-------------|--------------|----------------|

Experience

Digital Addis PLC – Internship (Web Developer)

July 21, 2023 – October 12, 2023

- ✓ Collaborated closely with cross-functional teams, including designers, developers, and QA analysts, to deliver high-quality web solutions on time and within budget. Achieved a 97% client satisfaction rate based on post-launch feedback.
- ✓ Implemented performance optimization techniques such as caching and image optimization, resulting in a 4% reduction in bounce rates.
- ✓ Conducted regular reviews and provided mentorship to other developers, fostering a culture of continuous learning and follow to best practices in coding standards.

Education

Bonga University, Bonga, Ethiopia

Bachelor of Science in Computer Science, 2024

Recent Projects

- ✓ Developed a Hospital Management System using React JS, Express JS, Node JS, and MySQL. Implemented JSON Web Token for authentication, Zustand for state management, Google reCAPTCHA for security, and a chat function utilizing Gemini AI and Chat Engine.
